

Is Willie going with you?

No, Willie is not going to-day.

He is going to ride with papa.

I like to ride to the city.

I am going to get a pretty basket
for you.

Oh, thank you, May.

I want a pretty basket for school.

Is baby going away with you?

Oh no, she is too little.

She is going to see grandma.

Grandma has a big doll for her.

She will play in the garden.

Some day she will go to the city.

She likes to go to see grandma.

I think it is time to go.

I see mamma coming.

I will run to her.
