

Come with me, baby dear.
Dolly shall go to bed with you.
See your pretty white bed.
See dolly in her bed.
Do not wake the dolly.
Baby is in her little bed.
Go to sleep, baby dear.”
She will have a good sleep.
She will wake soon.
I like to look at her.
We love you, baby dear.
She likes to play with me.
She wants to go to school with
me.
She is too little to go to school.
Some day she may go.
I want her to play with me.
Come, baby, it is time to awake.
