

She gave it to me in a basket.
It is a dear little kitty.
It will drink milk.
I give it milk in a saucer.
I drink from a cup.
Kitty drinks from a saucer.
I like to see kitty play.
Do not catch my bird.
I must put you to bed, kitty.
You may sleep in the basket.
No, you must not run away.
Be a good little kitty.
Do not run away from me.
You shall have a saucer of milk.
You are such a dear little kitty!
I hope you will not catch birds.
I wish you to love little birds.
I wish you to love me, too.
