What can you do for your doll,
Mary?

I can sew for her.

I am her mamma, you know.

Can you make her a dress?

See the one she has on.

Did you make that one?

Yes, I did; didn't I, Dolly?

Dolly has nothing on her feet.

Her little toes will get cold.

Can you make shoes for her?

No, I can not make her shoes.

Do you see Dolly's little toes?

Is Mary good to her doll?

Yes, Mary is good to Dolly.

Can you sew for your doll?
