

time            when            much

Oh, Jack! You must never catch the birds.

I have told you so before, many, many times.

I tell you, but it does no good.

You must learn to do as you are told.

I am your master, Jack. You must do as I say.

Tell me, Jack! When will you ever learn to be a good dog?

I shall tie you up, so there! Let this be a lesson to you. You may as well learn it now as any time.

Now you will get no more birds for some time. I am very much ashamed of you, Jack!

*I shall have to tie you up.*
