

The page features a wide, ornate border with a repeating geometric pattern. Inside this border, there are two rows of four stylized floral or foliate motifs. Each motif is connected to the next by a thin line. From the top of each motif, a vertical line descends, which then curves outwards and upwards to form a pointed, leaf-like shape. These shapes are arranged in a grid-like pattern, with the central text 'V&K' positioned between the two rows of motifs.
