

and other things that are necessary for the health of the community. It is the duty of the physician to see that these things are done, and to see that the health of the community is maintained. The physician should be a leader in the community, and should be able to influence the public mind. He should be able to see the big picture, and should be able to see the things that are necessary for the health of the community. He should be able to see the things that are necessary for the health of the community, and should be able to see the things that are necessary for the health of the community.

The physician should be a leader in the community, and should be able to influence the public mind. He should be able to see the big picture, and should be able to see the things that are necessary for the health of the community. He should be able to see the things that are necessary for the health of the community, and should be able to see the things that are necessary for the health of the community. He should be able to see the things that are necessary for the health of the community, and should be able to see the things that are necessary for the health of the community.

He should be able to see the things that are necessary for the health of the community, and should be able to see the things that are necessary for the health of the community. He should be able to see the things that are necessary for the health of the community, and should be able to see the things that are necessary for the health of the community. He should be able to see the things that are necessary for the health of the community, and should be able to see the things that are necessary for the health of the community.

He should be able to see the things that are necessary for the health of the community, and should be able to see the things that are necessary for the health of the community. He should be able to see the things that are necessary for the health of the community, and should be able to see the things that are necessary for the health of the community. He should be able to see the things that are necessary for the health of the community, and should be able to see the things that are necessary for the health of the community.

He should be able to see the things that are necessary for the health of the community, and should be able to see the things that are necessary for the health of the community. He should be able to see the things that are necessary for the health of the community, and should be able to see the things that are necessary for the health of the community. He should be able to see the things that are necessary for the health of the community, and should be able to see the things that are necessary for the health of the community.
